SUMMARY

Experienced Risk Manager with over 4 years of expertise in in-depth risk assessment to support business growth while ensuring compliance. Strong analytical skills in identifying and managing risks, providing data-driven insights to mitigate threats and support business targets. A graduate of a reputable university and an alumnus of the Management Development Program from a leading bank.

PROFESSIONAL EXPERIENCE

PT Bank Mandiri (Persero) Tbk

Team Leader Credit System Risk | Jan 2025 - Present

- Led and managed a team members, ensuring alignment with service level agreements (SLA) and individual performance targets.
- Developed and maintained strong relationships with cross-functional teams and other business units to ensure smooth collaboration and alignment on organizational goals.
- Managed risk for loan systems across all segments (consumer loan, micro loan, SME loan, and wholesale loan), overseeing the entire process from acquisition and underwriting to collection, supporting loan growth and ensuring compliance with financial regulations.

Officer Wholesale Channel Risk | Jan 2024 - Dec 2024

Conducted risk assessments and evaluations for wholesale channel development, including products such as Kopra, focusing on fraud mitigation and driving product growth in line with corporate goals.

Officer Personal E-Channel Risk | Jan 2022 - Jan 2024

- Performed risk assessments for retail channels, ensuring proper risk management for these evolving digital platforms.
- Conducted risk analysis for the onboarding of over 57 Livin' Sukha partners, ensuring smooth integration while identifying and mitigating potential operational and financial risks.

Officer IT Improvement & Application Risk | Aug 2019 - Dec 2021

Conducted risk analysis for the acquisition of over 50 Open API Partners, evaluating potential risks and ensuring compliance with regulatory standards.

Officer Development Program (ODP) | Jan 2019 - Jul 2019

Completed Officer Development Program (Batch 167) and Risk Management Development Program (Batch 8), further enhancing my risk management expertise and leadership skills, while gaining insights into the best practices in banking and financial institutions.
